Peggy,
Attached is the signed MOU.

Peggy,
Sure. The government lawyer for Ft. Harrison provided me with an updated status this past Monday, 7/19. Major Marquis let me know that since she routed it for signature, she has sent follow-up emails to track it down. I was advised she will forward it when returned to her after signing, or it may be coming directly via MAJ Mike Talia or LTC Adele Johnson.

Catherine:

I'm checking in on the MOU Addendum for Ft. Harrison. From your 6/30/21 email (below), I gathered you were expecting the signed version in early July. Do you have any update on this?

Thank you.

Peggy,

The MRL permit was revised and issued. Attached is a copy of the permit and the email message Ed Coleman sent on 6/28/2021. Al Garcia was copied on this email.

Ft. Harrison's counsel, Major Marquis, has routed the MOU Addendum for signature and expects to get it back before the end of the week. I will forward you a copy.

Please let me know if you have further questions. Thank you.

CAUTION: EXTERNAL EMAIL

Ms. Laughner:

I am writing to let you know that the City of Helena pretreatment matter has been re-assigned from Robyn Emeson to me. Ms. Emeson is on maternity leave.

I would also like to confirm the status of the following issues:

- Fort Harrison. It is the EPA's understanding that as of late April of 2021, the City of Helena had proposed a draft Addendum to the April 2, 2001 Memorandum of Understanding between the City and Fort Harrison. Has the draft Addendum been signed? If so, would you please provide me a copy?

- MRL Permit. On June 23, 2021, Emilio Llamozas emailed Matthew Culp comments on some proposed revisions of this permit. Has the City addressed the comments and issued the permit? If so, would you please provide me a copy?

I am looking forward to working with you on this matter.

Thank you.
